Successful fundraising allowed us to give generously to the scholarship candidates at our June meeting. The mermen have done their part by finding sponsors and donors and now it's our turn. Calendars will go on sale in July. Our initial order is greater than last year due to the popularity of the calendar. You can purchase calendars through our local vendors - Johnny Picasso, Johnson Manor, and Marine Hardware.

Another way to support AAUW is to donate \$25 toward purchasing a gift calendar to thank to our mermen and sponsors. Those donations should be made out to AAUW and sent directly to Patricia Griffith, 3932 Rockridge Parkway, Anacortes.

All members are entitled to a branch directory, however, because the information is available on our website, not everyone uses a printed version. The directories will be printed for release at the September meeting. If you would like a printed directory, please send an email to me before the end of August: [underwood31@comcast.net](mailto:underwood31@comcast.net)

**If you are new to AAUW or your current directory photo is outdated, please send a photo and updated contact information to Bonnie before the end of August so that we might update our directory.**

Patricia Griffith, Karan Hannah, Linda Hendrick, and Sandy Huggins recently participated in another hybrid test and thanks to their work, we were able to successfully run a hybrid meeting. That means we will be hosting live meetings in the Anacortes Library meeting room beginning in September and provide a link for those who would like to continue to meet via zoom.

Longtime member, Nelle Jacobson, will be moving away soon. Nelle held the positions of President and Treasurer and has been actively involved with our scholarship committee for many years. We will miss her and send her our best wishes!
